Pennsylvania School Counselors Association Membership Data Information

The Pennsylvania School Counselors Association utilizes a web-based online membership system. The goal of this program is to provide members with unlimited access to account information and services available through PSCA. The integrity of your personal information is vital to keeping the system up to date and accurate. PSCA is committed to the security of your personal information, and has established the guidelines below to ensure your data's proper use:

1. PSCA never will release email addresses to businesses or outside organizations.
2. PSCA will only distribute preferred mailing information to businesses or organizations approved by the PSCA Executive Director. These businesses and organizations must submit a detailed request form which contains important release information and guidelines. Each request is carefully reviewed by the Executive Director to make sure the request is appropriate and can offer members added value to a PSCA membership.
